

ELKS IN TRIBUTE

TO THOSE GONE

Memorial Services for Dead Held Throughout State — Henry J. of Chicago Addresses Lodge.

INDIANAPOLIS, Dec. 8.—Memorial services for their dead were held by the Elks lodges in every city and town in the state Sunday. Despite the blizzards, all the services were well attended.

The Marion lodge No. 195 unveiled a bronze tablet bearing the names, date of initiation and date of death of the 45 deceased members of the lodge.

South Bend lodge, No. 235, B. P. O. E., held its annual memorial services at the Oliver theater Sunday afternoon at 3 o'clock. The principal speaker was Henry J. Toner of Chicago, who spoke upon the general welfare of the lodge. A mixed quartet composed of Miss Bernice Gardner, Mrs. J. Tompsett, Chas. O. Krueger and W. P. McHenry furnished the music, assisted by Mattes' orchestra.

Ten members of the lodge died during the past year. They were Frank P. Ohmer, Theodore Thorwald, C. A. Dapugherly, J. R. Gunnell, J. L. Schallaire, G. E. Hannah, J. W. Fitzgibbon and Chas. Petersen.

The memorial committee was composed of G. A. Parabaugh, Harvey E. Freehafer, P. K. Goetz, A. J. Klingel, E. A. Chockett and John V. Casmler.

FAIL IN ATTEMPT TO SETTLE DUBLIN STRIKE

Conference Breaks When Workmen Demand Complete Reinstatement of all Strikers.

DUBLIN, Dec. 8.—The attempt to reach a settlement of the Dublin strike, which has been in progress for fifteen weeks has failed. A conference composed of employes and employers, assisted by English labor leaders, sat for twenty hours threshing out every point, but broke down Sunday on the workers demand for complete reinstatement of the strikers. This the executive of the employers would concede.

The result of the conference is a great surprise and disappointment, as the prolonged discussion gave hope that the disastrous strike, which has caused the eviction of present residents from their homes, was nearing an end. The employers had offered to reinstate 80 per cent of the strikers.

HOPE TO PASS CURRENCY BILL IN SENATE DEC. 20

Republicans Promise They Will Not Obstruct Passage of Measure With Dilatory Tactics.

WASHINGTON, Dec. 8.—President Wilson's views on trust legislation are to be sought this week by congressional leaders who will map out the anti-trust program for legislative action. The last week has advanced a pronounced view among the democratic members of the senate that the anti-trust act of the present session of congress should be few, and should effect only the more obviously needed reforms.

While the president has announced his purpose to send a special trust message to congress in the near future, the scope of the communication has not yet been outlined. Chairman Clayton of the house judiciary committee will advise the president Monday and Chairman Newlands of the senate interstate commerce committee probably will have another conference with him later in the week.

Confident predictions are now made that the currency bill will pass the senate before Dec. 20.

Republican members have made it clear they do not want to be charged with delay of currency reform, and will not use obstructing tactics to effect the changes they would like to see made in the bill. The constant assertion of democratic leaders that business is halting in its development until the details of currency legislation are fully known, has led to a general desire to act on the bill as rapidly as possible.

BIRDMAN LOST IN FOG

Skyrockets Fired in Vain to Guide Aviator to Landing.

HAMBURG, Dec. 8.—The airship Sachsen arrived here from Dresden in a dense fog Sunday afternoon and was unable to find a landing place, although skyrockets were fired. After cruising for a time over the city the pilot completely lost his bearings and finally descended at Quickborn, 20 miles north.

MAN CHEATS DEATH BY HANGING UNDER BRIDGE

Two Companions are Killed When Trying to Beat Trains to End of Trestle.

INDIANAPOLIS, Dec. 8.—Patrick Gorman, 39, and John J. Irony, 23, were killed and Frank Ackerman, a butcher, narrowly escaped death when caught on a Big Four railroad bridge over Eagle creek late Sunday. The bridge is double-tracked, although skyrockets were fired. After cruising for a time over the city the pilot completely lost his bearings and finally descended at Quickborn, 20 miles north.

Ackerman escaped by throwing himself between the two tracks and clinging to the ties until the two trains had passed. The other two men attempted to reach the end of the bridge, but were run down by the freight train about 15 feet from their goal.

JUMPS FROM SEVENTH FLOOR. NEW YORK, Dec. 8.—Mrs. Frances McGregor, 31 years old, wife of Edward J. McGregor, a theatrical manager, committed suicide Sunday night by jumping from a window on the seventh floor of the Riverside drive apartment where the couple lived.
